

## Dental Insurance Programs

### For Children:

Through Florida Kidcare, the state of Florida offers health insurance for children from birth through age 18 even if one or both parents are working.

When you apply for the insurance, Florida KidCare will check which part your child may qualify for based on age and family income. (Most families pay \$15 - \$20 a month or nothing at all).

Toll free number: 1-888-540-5437  
enroll online, see website:  
[www.floridakidcare.org](http://www.floridakidcare.org)

1. MediKids - Children ages 1- 4.
2. Healthy Kids - Children ages 5 - 18.
3. Children Medical Network Services - Children birth - 18 who have special health care needs.
4. Medicaid - Children birth - 21. A child who has other insurance may still qualify for Medicaid.

**Kidcare now has year round open enrollment!**

For a healthy mouth, brush your teeth at least two times every day. Spend at least 3 minutes brushing and flossing.

Eating or drinking foods with sugar in it increases acid production up to 20 minutes after swallowing. Acid producing bacteria causes cavities in your teeth.

Choose healthy snacks to include water over sodas, fruit and vegetables over sugary snacks.
