Florida Breast and Cervical Cancer Early Detection Program

Annual Applicant Agreement

- I agree to become a client of the Florida Breast and Cervical Cancer Early Detection Program (FBCCEDP).

- Florida is my primary residence.

- I declare that my net family annual income is at or below 200% of the federal poverty guideline and I have no health insurance that pays for breast and cervical cancer screening exams.

- I understand I am no longer eligible for the FBCCEDP if my income changes to be above 200% of the federal poverty guideline or if I enroll in any health insurance program that provides breast and cervical cancer screening.

- I understand that I may have a share of cost for some services.

- I agree to use an authorized provider for my breast and/or cervical screening examinations (breast exam, mammogram, and/or Pap test) and I agree to complete any follow-up tests within 60 days.

- I understand that the FBCCEDP is a breast and cervical cancer screening program, not a cancer treatment program. If I am diagnosed with breast or cervical cancer as a result of my FBCCEDP screening, I will be referred to a provider for my cancer treatment. I understand I can reapply to the FBCCEDP for screenings after initial treatment is completed.

- I agree to allow an exchange and release of information via fax or mail between my health care providers, the Florida Department of Health Breast and Cervical Cancer Early Detection Program, the Florida Department of Health Cancer Data Registry, the Centers for Disease Control and Prevention, and others related to my health care. This information could include medical history, examination results, and any follow up tests and treatments done as a result of the examination, even if the tests or treatment I receive are not paid for by the FBCCEDP.

- I agree to receive phone or mail contact from FBCCEDP staff about my health care.

- I understand this agreement is good for one year unless my program eligibility changes.

- I understand that taking part in this program is my choice and I may withdraw from the program at any time.

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.

PLEASE REVIEW IT CAREFULLY.

USES AND DISCLOSURES OF YOUR PROTECTED HEALTH INFORMATION

Protected health information includes demographic and medical information that concerns the past, present, or future physical or mental health of an individual. Demographic information could include your name, address, telephone number, social security number and any other means of identifying you as a specific person. Protected health information contains specific information that identifies a person or can be used to identify a person.

Protected health information is health information created or received by a health care provider, health plan, employer, or health care clearinghouse. The Department of Health can act as each of the above business types. This medical information is used by the Department of Health in many ways while performing normal business activities.

Your protected health information may be used or disclosed by the Department of Health for purposes of treatment, payment, and health care operations. Health care professionals use medical information in the clinics or hospital to take care of you. Your protected health information may be shared, with or without your consent, with another health care provider for purposes of your treatment. The Department of Health may use or disclose your health information for case management and services. The Department of Health clinic or hospital may send the medical information to insurance companies, Medicaid, or community agencies to pay for the services provided you.

Your information may be used by certain department personnel to improve the department’s health care operations. The department also may send you appointment reminders, information about treatment options or other health-related benefits and services.

Some protected health information can be disclosed without your written authorization as allowed by law. Those circumstances include:

- Reporting abuse of children, adults, or disabled persons.
- Investigations related to a missing child.
- Internal investigations and audits by the department’s divisions, bureaus, and offices.
- Public health purposes, including vital statistics, disease reporting, public health surveillance, investigations, interventions, and regulation of health professionals.
- District medical examiner investigations approved by the department.
- Court orders, warrants, or subpoenas;
- Law enforcement purposes, administrative investigations, and judicial and administrative proceedings.

Other uses and disclosures of your protected health information by the department will require your written authorization. This authorization will have an expiration date that can be revoked by you in writing. These uses and disclosures may be for marketing and for research purposes, certain uses and disclosure of psychotherapist notes, and the sale of protected health information resulting in remuneration to the Department of Health.

INDIVIDUAL RIGHTS

You have the right to request the Department of Health to restrict the use and disclosure of your protected health information to carry out treatment, payment, or health care operations. You may also limit disclosures to individuals involved with your care. The department is not required to agree to any restriction. However, in situations where you or someone on your behalf pays for an item or service in full, and you request information concerning said item or service not be disclosed to an insurer, the Department will agree to the requested restriction.

You have the right to be assured that your information will be kept confidential. The Department of Health will make contact with you in the manner and at the address or phone number you select. You may be asked to put your request in writing. If you are responsible to pay for services, you may provide an address other than your residence where you can receive mail and where we may contact you.

You have the right to inspect and receive a copy of your protected health information. Your inspection of information will be supervised at an appointed time and place. You may be denied access as specified by law. If access is denied, you have the right to request a review by a licensed health care professional who was not involved in the decision to deny access. This licensed health care professional will be designated by the department.

You have the right to correct your protected health information. Your request to correct your protected health information must be in writing and provide a reason to support your requested correction. The Department of Health may deny your request, in whole or part, if it finds the protected health information:

- Was not created by the department.
- Is not protected health information.
- Is by law not available for your inspection.
- Is accurate and complete.

If your correction is accepted, the department will make the correction and tell you and others who need to know about the correction. If your request is denied, you may send a letter detailing the reason you disagree with the decision. The department will respond to your letter in writing. You also may file a complaint, as described below in the section titled Complaints.
NOTICE OF PRIVACY PRACTICES (cont.)

You have the right to receive a summary of certain disclosures the Department of Health may have made of your protected health information. This summary does not include:

- Disclosures made to you.
- Disclosures to individuals involved with your care.
- Disclosures authorized by you.
- Disclosures made to carry out treatment, payment, and health care operations.
- Disclosures for public health.
- Disclosures to health professional regulatory purposes.
- Disclosures to report abuse of children, adults, or disabled.
- Disclosures prior to April 14, 2003.

This summary does include disclosures made for:

- Purposes of research, other than those you authorized in writing.
- Responses to court orders, subpoenas, or warrants.

You may request a summary for not more than a 6 year period from the date of your request.

If you received this Notice of Privacy Practices electronically, you have the right to a paper copy upon request.

The Department of Health may mail or call you with health care appointment reminders.

DEPARTMENT OF HEALTH DUTIES

The Department of Health is required by law to maintain the privacy of your protected health information. This Notice of Privacy Practices tells you how your protected health information may be used and how the department keeps your information private and confidential. This notice explains the legal duties and practices relating to your protected health information. The department has the responsibility to notify you following a breach of your unsecured protected health information.

As part of the department’s legal duties this Notice of Privacy Practices must be given to you. The department is required to follow the terms of the Notice of Privacy Practices currently in effect.

The Department of Health may change the terms of its notice. The change, if made, will be effective for all protected health information that it maintains. New or revised notices of privacy practices will be posted on the Department of Health website at www.myflorida.com and will be available by email and at all Department of Health buildings. Also available are additional documents that further explain your rights to inspect and copy and amend your protected health information.

COMPLAINTS

If you believe your privacy health rights have been violated, you may file a complaint with the: Department of Health’s Inspector General at 4052 Bald Cypress Way, BIN A03/ Tallahassee, FL 32399-1704/ telephone 850-245-4141 and with the Secretary of the U.S. Department of Health and Human Services at 200 Independence Avenue, S.W./ Washington, D.C. 20201/ telephone 202-619-0257 or toll free 877-696-6775.

The complaint must be in writing, describe the acts or omissions that you believe violate your privacy rights, and be filed within 180 days of when you knew or should have known that the act or omission occurred. The Department of Health will not retaliate against you for filing a complaint.

FOR FURTHER INFORMATION

Requests for further information about the matters covered by this notice may be directed to the person who gave you the notice, to the director or administrator of the Department of Health facility where you received the notice, or to the Department of Health’s Inspector General at 4052 Bald Cypress Way, BIN A03/ Tallahassee, FL 32399-1704/ telephone 850-245-4141.

EFFECTIVE DATE

This Notice of Privacy Practices is effective beginning July 1, 2013, and shall be in effect until a new Notice of Privacy Practices is approved and posted.
